Dear Parents,

This year is going by fast! Thank you all for your flexibility this year as we have planned events and made adjustments. This year definitely had its challenges, but also many joyful memories.

I am writing this letter to inform you that the registration process for the 2022-2023 academic year will take place March 15th through April 13th. Your child(ren)'s registration forms are enclosed. Early registration for returning families begins March 15th and forms need to be completed, mailed or dropped off at the school, with the registration fee, by March 25th to guarantee a spot. Open registration for the general public begins March 21st and ends April 13th.

The registration fee for K-8 students is \$175 and the registration fee for preschool students is \$120. The registration fee is required at the time of registration. Parents will still be required to come in August to make your final financial arrangements for the upcoming academic year.

On our registration form this year, you will see the total cost of education included. Our Parish contributes generously toward supporting our school as part of their mission, which helps offset the out-of-pocket cost for our families. As a result, we are able to offer the tuition rates indicated. We want to make sure that we can offer our education to any family who desires one. If you are in need of financial assistance, please make sure that you have your "Financial Assistance Scholarship Application" completed by April 13th to qualify.

As we go forward with our plans for next year, it is important for budgetary purposes to know as early as possible our rate of registration. We have families that have inquired, on the waiting list, and are waiting to register. This is certainly welcome news as we continue to grow St. Jude Thaddeus Catholic School. We hope that all of our current families register. Thank you for your continued support!

Sincerely,

A handwritten signature in black ink, appearing to read "Katie Kopp".

Mrs. Katie Kopp
